Dear Senior Management,

I hope you are doing well.

I am writing to formally escalate an unresolved **EPS issue** that has been pending despite multiple follow-ups with the concerned HR and payroll teams.

My EPF transfer request has been rejected by EPFO due to the following reason:

“EPS Contributions not remitted from March 2024 to September 2025 – please clarify with the employer.”

I initially reported this issue on **21 March 2026** and subsequently shared all the required employee and PF details requested by the team. I was informed that the correction process would take approximately **3-4 weeks** initially post that **15-20 days**. However, despite repeated follow-ups over the past several weeks, **the issue still remains unresolved and I have not received any concrete update or closure** from the concerned team.

It has now been **more than four months since my separation from the organization**, and I genuinely did not expect such an **essential statutory matter to remain pending for this long**. However, considering the prolonged delay and limited communication, I kindly request the team to avoid further extensions in timelines and instead proceed with the required corrective actions and documentation at the earliest.

The following are required from the employer side for resolution of the case:

- **Revised Form 3A**
- **Revised Form 11 / correction of records**
- **Employer clarification letter regarding EPS contribution discrepancy**

This delay is impacting:

- **My PF transfer process**
- **Continuity of my EPF records**
- **EPS pension contribution records with EPFO**

Below are my details for reference:

Employee Name: Pavan Kalyan Mahanty
Employee ID: VS1550
UAN: 101985917703
Previous PF Account Number: APHYD21088260000011386

I kindly request senior management to:

1. **Review this matter on priority**
2. Coordinate with the payroll/finance/EPF handling team for immediate resolution
3. Ensure pending EPS contributions and records are properly updated with EPFO
4. **Provide a clear timeline and status update regarding closure of this issue**

Note: In parallel, I have also raised a grievance with the EPFO team to track this case for better visibility and resolution support.

Despite several reminders and follow-ups, I have unfortunately not received adequate response or closure from the responsible team. Hence, I am compelled to escalate this matter for urgent intervention.

I sincerely request your support in resolving this issue at the earliest to avoid further complications with my EPF account and pension records.

Thank you for your attention and support.

Currently, the case is pending at the PF Office, Patancheru, Hyderabad. We do not have an exact timeline for completion, as it depends on their processing time.

Dear Saranya / Kumar,

I am writing to provide an update regarding the EPF-to-EPS contribution reallocation request for my account (Member ID: APHYD21088260000011386). The EPFO Patancheru office has officially updated the status of the bulk submission under Inward No. 40502 to "Case Disposed Of" due to specific documentation gaps.

According to the official EPFO grievance disposal notice, the adjustment could not be processed due to the following reasons:

1. Omission of Individual Records: The specific Form 11 and corresponding salary slips for my correction period (March 2024 to September 2025) were noted as missing from the individual attachments within the bulk filing.
2. Authorized Signature Verification: The signature on the submitted paperwork did not match the official authorized signature registered in the EPFO portal database for the establishment.

Following my separation from the organization on December 24, 2025, this statutory matter has remained pending. As documented in our correspondence starting March 21, 2026, and my subsequent escalation on May 8, 2026, the resolution of this contribution split is necessary to complete my pending PF transfer. Please note that my official EPFO passbook entries for the disputed period (March 2024 to September 2025) still remain entirely unchanged, reflecting that no reallocation of funds has occurred to date, which continues to block my online PF transfer request.

Since the initial bulk filing has been closed by the department, I kindly request the compliance team to re-submit a rectified, standalone application to the EPFO Patancheru office to ensure my service records are successfully updated.

- To ensure the resubmission meets all regulatory requirements and avoids further processing delays, please confirm that:
- * A complete, individual packet is compiled, including the generated PF Clarification Letter, my Form 11, and the necessary salary slips for the affected period.
 - * The documents are executed by an active, registered Authorized Signatory whose credentials are fully validated on the EPFO employer portal.

Once the corrected application is delivered to the department, please share a copy of the official EPFO acknowledgment receipt along with a confirmation of the exact documents enclosed. This documentation is essential for my records and will serve as the necessary verification to track the updated status from my end.

Thank you for your time, professional support, and attention to ensuring this statutory alignment is completed.

Kind regards,

Pavan Kalyan Mahanty
