Dear Senior Management,

I hope you are doing well.

I am writing to formally escalate an unresolved **EPS issue** that has been pending despite multiple follow-ups with the concerned HR and payroll teams.

My EPF transfer request has been rejected by EPFO due to the following reason:

“EPS Contributions not remitted from March 2024 to September 2025 — please clarify with the employer.”

I initially reported this issue on **21 March 2026** and subsequently shared all the required employee and PF details requested by the team. I was informed that the correction process would take approximately **3-4 weeks** initially post that **15-20 days**. However, despite repeated follow-ups over the past several weeks, **the issue still remains unresolved and I have not received any concrete update or closure** from the concerned team.

It has now been **more than four months since my separation from the organization**, and I genuinely did not expect such an **essential statutory matter to remain pending for this long**. However, considering the prolonged delay and limited communication, I kindly request the team to avoid further extensions in timelines and instead proceed with the required corrective actions and documentation at the earliest.

The following are required from the employer side for resolution of the case:

- **Revised Form 3A**
- **Revised Form 11 / correction of records**
- **Employer clarification letter regarding EPS contribution discrepancy**

This delay is impacting:

- **My PF transfer process**
- **Continuity of my EPF records**
- **EPS pension contribution records with EPFO**

Below are my details for reference:

Employee Name: Pavan Kalyan Mahanty
Employee ID: VS1550
UAN: 101985917703
Previous PF Account Number: APHYD21088260000011386

I kindly request senior management to:

1. **Review this matter on priority**
2. Coordinate with the payroll/finance/EPF handling team for immediate resolution
3. Ensure pending EPS contributions and records are properly updated with EPFO
4. **Provide a clear timeline and status update regarding closure of this issue**

Note: In parallel, I have also raised a grievance with the EPFO team to track this case for better visibility and resolution support.

Despite several reminders and follow-ups, I have unfortunately not received adequate response or closure from the responsible team. Hence, I am compelled to escalate this matter for urgent intervention.

I sincerely request your support in resolving this issue at the earliest to avoid further complications with my EPF account and pension records.

Thank you for your attention and support.

Regards,
Pavan Kalyan Mahanty

Hi Pavan Kalyan Mahanty,

As discussed over the phone, we have submitted your Form 3A document along with other employees at the PF office. From our side, the required work has been completed.

Currently, the case is pending at the PF Office, Patancheru, Hyderabad. We do not have an exact timeline for completion, as it depends on their processing time.

We request you to kindly visit the PF office once and check the status directly from your side as well.

As informed earlier, I had already shared the acknowledgement copy with you. I am sharing it again for your reference—please find the details attached.

Regards,
