Dear HR Team,

I hope you are doing well.

I am writing regarding an issue with my EPF transfer request, which has been rejected by EPFO with the following reason:

“EPS Contributions not remitted from March 2024 to September 2025 – please clarify with employer.”

#S No	CLAIM/TRACKING ID	RECEIPT DATE	MEMBER ID	FORM TYPE	CLAIM DESCRIPTION	REJECT DATE

REJECT REASON : 1) eps contributions not remitted from 03/2024 to 09/2025 please clarify with employer

I request you to kindly review this matter on priority and take the necessary steps to:

1. Verify EPS contribution records for the period March 2024 to September 2025
2. File any pending ECR (Electronic Challan cum Return), if applicable
3. Deposit any outstanding EPS contributions along with applicable dues
4. Update the records with EPFO to enable successful PF transfer

This issue is impacting my PF account continuity and pension records. I would appreciate it if this can be resolved at the earliest.

In case this remains unresolved, I may need to raise a grievance through the EPFO grievance portal for further assistance.

Please let me know if any additional information is required from my end.

Hi Pavan,

I would like to inform you that the process may take approximately **3–4 weeks**, as it is dependent on the availability of the PF portal server.

Unfortunately, the portal has not been supported for the past two weeks, which has caused the delay.

Thank you for your understanding.

Regards,

Hello Pavankumar,

As we have now reached the halfway mark (two weeks), I would like to check on the **current status of updating the EPS records** in my PF account. Please confirm whether we are on track to complete this within the scheduled timeline.

It has already been over four months since I left the organization, so I would appreciate it if we could resolve this at the earliest.

Thanks & Regards

Hello Volante Team,

Could you please provide an update on this issue? It has been pending for quite a long time, and I have been continuously following up on it.

It has already been 4+ months since my exit, and I have been following up on this case for the past 1.5 months. I kindly request you to look into this and let me know why the EPS records have still not been updated.

Also, kindly share any receipt or ticket number raised with EPFO regarding this change, so that I can check with the EPFO team by raising a grievance from my end.

Thank you for your support.
